

Monster Challenges - Mega Measurements

NFL#16

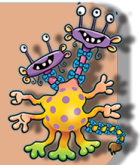

MONSTER CHALLENGES
1

My Feet Are Bigger Than Your Feet! Find a space in your home to measure using your feet. How many of your feet is it from one side of the space to the other? Ask an adult to do it too. Do they need more or less feet than you?

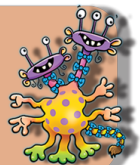

MONSTER CHALLENGES
2

Mega Measuring Length Can you use standard (centimetres/metres/millimetres) and non-standard measures (hands, feet, body-length etc.) to measure some objects (e.g. your bed) or some spaces you have at home?

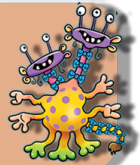

MONSTER CHALLENGES
3

Sue's 30-Second Throwing Challenge! Can you find some balls and throw them into a bin. Remember Sue's rule that you need to lie down with your feet on the bin and put a ball by your head to get the distance right!

MONSTER CHALLENGES
3

30-Second Challenge! Do you think your headteacher or your teacher might be up for doing a 30-Second Challenge? Can you think of a really good challenge that Dave should do? Please email in your ideas!

We hope you enjoy these mathematical challenges. Dave would love to see what you've been up to!
Please send your pictures and messages to Dave: live@numberfun.com @NumberFunDave
The songs featured in today's Number Fun Live can be accessed on the Number Fun Parent Portal.
